Janet:

I have attached the additional information that I could locate here in the files in our Columbus office. If you need additional information, I would suggest contacting the inspector, Monty Morrison (740-439-9079 or Monty.Morrison@dnr.state.oh.us) in our Cambridge office. I did leave a voice mail message for him yesterday, but he was out in the field. I'm also attaching my previous e-mail to complete the record for Monty.

Don't hesitate to contact me if you have any questions about what I have attached.

Thanks,

Mike
